

Grounds Ministry Team

We want to glorify God by maintaining the grounds the Lord has given us responsibility for and in the winter especially keep the lots and walkways as safe as reasonable.

General Requirements

- This is a great ministry for those who prefer to be behind the scenes while providing an important service to the Lord and our church.
- Ability to use typical hand tools for summer grounds keeping, such as rakes and clippers as well as man a shovel for winter grounds.
- To use our lawnmower, you must be 18 yrs or above and must be trained or observed by one of our experienced mowers.
- To use the plow-truck, you must be 25 yrs or above and be trained by one of our experienced drivers.

General Information and Instructions

- You will work with our Grounds Team Leader by being in a text group to tackle the unexpected winter storms.
- You must pay attention to detail.
- You must recognize your role in the safety of our lots during winter time and be prepared to accomplish the goals set forth per storm.
