

Outreach Team

Matthew

The Outreach Team is the organized Be the Blessing of our motto. The mission of all Christian churches is to reach the world with the Gospel of Jesus Christ, make disciples and baptize them in the name of the Father, Son and Holy Spirit. - Provide the church with an easy opportunity to invite those who need Jesus to an event using invite cards and postcards
- Marketing outreach using public promotion to various outlets and social media
- Provide the Events Team with designs for the events the church hosts, puts on or works with other churches in the area so that the events will draw as many people as possible
- Go downtown and other places to invite people to church and to have gospel conversations
